

# HABLE WEEK

PROGRAMME OF ACTIVITIES  
20th - 24th APRIL 2026

## MONTEVIL & THE MOTHER ROAD: ROUTE 66 CENTENNIAL

I am excited to introduce our cultural week dedicated to the legendary Route 66, a fantastic opportunity to explore the rich history and diverse culture of the United States right here at Montevil High school. As we celebrate its centennial, we realize that this highway is more than just a road; it is a gateway to understanding the American spirit, the stories of migration, and the traditions that have shaped the 20th century.

During this special week, we will dive into the fascinating world of the "Mother Road" through a journey across its most iconic landscapes. We will explore the breathtaking natural wonders and the wild side of the American landscape, as well as the unique heritage and cultural identity of Texas and the Great Southwest. We will also analyze the historical evolution of the American Way of Life and the enduring concept of the American Dream that drew millions to this route. Furthermore, we will connect our own local history with the United States by discovering the moving stories of Asturian migrants and their lives between two borders. Thanks to our hosts, these sessions are not only educational but also inspiring, sparking curiosity about how travel and history influence our lives.

We hope this week will inspire you to dream of your own adventures and to see the world as a place of endless discovery. Let's make the most of this opportunity to broaden our horizons, learn about different cultures, and have fun exploring the legendary Main Street of America. Get ready for an exciting week full of activities, surprises, and new knowledge!
